

226 CHILD SAFETY CODE OF CONDUCT

Adopted 2019 Review in 2022

PURPOSE

Ivanhoe East Primary School is committed to the safety and wellbeing of children and young people. Our school community recognises the importance of, and a responsibility for, ensuring our school is a safe, supportive and enriching environment which respects and fosters the dignity and self-esteem of children and young people, and enables them to thrive in their learning and development.

This Code of Conduct aims to protect children and reduce any opportunities for child abuse or harm to occur. It also assists in understanding how to avoid or better manage risky behaviours and situations. It is intended to complement child protection legislation, Department policy, school policies and procedures and professional standards, codes or ethics as these apply to staff and other personnel.

IMPLEMENTATION

The Principal and school leaders of Ivanhoe East Primary School will support implementation and monitoring of the Code of Conduct, and will plan, implement and monitor arrangements to provide inclusive, safe and orderly schools and other learning environments. The Principal and school leaders of Ivanhoe East Primary School will also provide information and support to enable the Code of Conduct to operate effectively.

All staff, contractors, volunteers and any other member of the school community involved in child-related work are required to comply with the Code of Conduct by observing expectations for appropriate behaviour below. The Code of Conduct applies in all school situations, including school camps and in the use of digital technology and social media.

Acceptable behaviours

As staff, volunteers, contractors, and any other member of the school community involved in child-related work individually, we are responsible for supporting and promoting the safety of children by:

- upholding the school's statement of commitment to child safety at all times
- treating students and families in the school community with respect both within the school environment and outside the school environment as part of normal social and community activities
- listening and responding to the views and concerns of students, particularly if they are telling you that they or another child has been abused or that they are worried about their safety/the safety of another child
- promoting the cultural safety, participation and empowerment of Aboriginal and Torres Strait Islander students
- promoting the cultural safety, participation and empowerment of students with culturally and/or linguistically diverse backgrounds
- promoting the safety, participation and empowerment of students with a disability
- reporting any allegations of child abuse or other child safety concerns to the school's leadership
- understanding and complying with all reporting or disclosure obligations (including mandatory reporting) as they relate to protecting children from harm or abuse.
- if child abuse is suspected, ensuring as quickly as possible that the student(s) are safe and protected from harm.

Unacceptable behaviours

As staff, volunteers, contractors, and any other member of the school community involved in child-related work we must not:

- ignore or disregard any concerns, suspicions or disclosures of child abuse

IVANHOE EAST PRIMARY SCHOOL POLICY MANUAL

- develop a relationship with any student that could be seen as favouritism or amount to 'grooming' behaviour (for example, offering gifts)
- exhibit behaviours or engage in activities with students which may be interpreted as abusive and not justified by the educational, therapeutic, or service delivery context
- ignore behaviours by other adults towards students when they appear to be overly familiar or inappropriate
- discuss content of an intimate nature or use sexual innuendo with students, except where it occurs relevantly in the context of parental guidance, delivering the education curriculum or a therapeutic setting
- treat a child unfavourably because of their disability, age, gender, race, culture, vulnerability, sexuality or ethnicity.
- communicate directly with a student through personal or private contact channels (including by social media, email, instant messaging, texting etc.) except where that communication is reasonable in all the circumstances, related to school work or extra-curricular activities or where there is a safety concern or other urgent matter
- photograph or video a child in a school environment except in accordance with school policy or where required for duty of care purposes¹
- in the school environment or at other school events where students are present, consume alcohol contrary to school policy² or take illicit drugs under any circumstances.

EVALUATION

This policy to be reviewed as part of the school's three-year review process in 2019 or if legislative or other changes require in the interim.

RELATED POLICIES AND DOCUMENTS

This policy should be considered in consultation with the following other policies and documents:

Number	Name
112	Duty of Care
113	Yard Duty and Supervision
205	Student Engagement and Well-Being
206	Anti-bullying
207	Child Safety Responding and Reporting
215	Camps, Incursions and Excursions
303	Volunteers
306	Visitors
411	Unsatisfactory Performance and Misconduct
419	Working With Children Checks

¹ SPAG: <http://www.education.vic.gov.au/school/principals/spag/safety/pages/photoandfilm.aspx> . The policy says the school should get consent before taking and publishing photos of a student. This applies every time a photo is taken. The same policy applies for excursions and school activities.

² SPAG: <http://www.education.vic.gov.au/school/principals/spag/safety/pages/alcohol.aspx>. The policy says the school must obtain school council approval before alcohol can be consumed on school grounds or at a school activity. The policy says staff members should not consume alcohol during camps and excursions. It is silent on whether they can consume alcohol at other school events where students are present, this is a matter that the school needs to decide upon – draft text is provided in the guidance fact sheet

227 STATEMENT OF COMMITMENT TO CHILD SAFETY

Adopted 2019 Review in 2022

Ivanhoe East Primary School is committed to safety and wellbeing of all children and young people. This will be the primary focus of our care and decision-making.

Ivanhoe East Primary School has zero tolerance for child abuse.

Ivanhoe East is committed to providing a child safe environment where children and young people are safe and feel safe, and their voices are heard about decisions that affect their lives. Particular attention will be paid to the cultural safety of Aboriginal children and children from culturally and/or linguistically diverse backgrounds, as well as the safety of children with a disability.

Every person involved in Ivanhoe East Primary School has a responsibility to understand the important and specific role he/she plays individually and collectively to ensure that the wellbeing and safety of all children and young people is at the forefront of all they do and every decision they make.

In its planning, decision-making and operations Ivanhoe East Primary School will:

- Take a preventative, proactive and participatory approach to child safety;
- Value and empower children to participate in decisions which affect their lives;
- Foster a culture of openness that supports all persons to safely disclose risks of harm to children
- Respect diversity in cultures and child rearing practices while keeping child safety paramount;
- Provide written guidance on appropriate conduct and behaviour towards children;
- Engage only the most suitable people to work with children and have high quality staff and volunteer supervision and professional development;
- Ensure children know who to talk with if they are worried or are feeling unsafe, and that they are comfortable and encouraged to raise such issues;
- Report suspected abuse, neglect or mistreatment promptly to the appropriate authorities;
- Share information appropriately and lawfully with other organisations where the safety and wellbeing of children is at risk; and
- Value the input of and communicate regularly with families and carers.
