**Welcome to Term 4**

Monday morning's assembly was full of excited students who were very happy to see their friends and teachers after an enjoyable holiday. We are looking forward to an exciting term and you will receive a copy of your child's year level newsletter before the end of the week. Thank you to our teachers for taking such care to plan this term's learning and for ensuring that we all had a smooth start to the term.

**Hats and Sunsmart Practices**

We are excited by the prospect of some warmer weather approaching and all students are reminded that they need to wear a Sunsmart hat when outdoors at IEPS during Term 4. The hat's rim must be at least 6 cms wide so baseball caps do not comply with regulations. We are very proud that IEPS has plenty of shaded areas such the breezeways and on the Junior school decking where students can go if they do not have a Sunsmart Hat.

**Community Engagement Committee**

**Tracey Ezard evening session- Preparing Our Students for the Future**

**Wednesday 16<sup>th</sup> November 7-8.30pm**

**You're  
invited**

The Community Engagement Committee would like to invite all parents and carers to attend an evening session with Tracey Ezard. Tracey is a highly regarded presenter who works with the Education Department, individual schools, school networks and community and corporate organisations. She has expertise in helping schools build thriving professional learning environments and will be working with the IEPS staff team in 2017.

Tracey is a highly engaging presenter and she will run a workshop to explore the learning needs of our children as we prepare them for the future. This will allow us to identify the role of school and parents and how we can work together to achieve our vision.

This event will be held at IEPS on Wednesday the 16<sup>th</sup> November from 7-8.30pm and bookings can be made via Try Booking.

## Before School / After School Care Program

### Program Update

Dear Parents and Families,

Welcome back to an action packed Term 4. We have had a fantastic holiday program at OSHClub enjoying superhero dress ups, face painting, an animal farm, movies, Super Zu and exploring sports and crafts from around the world.

This term we are aiming to increase sustainability within our program by reducing, reusing and recycling. The Children have also suggested creating a mini garden for them to care for and learn about. We hope for spring to bring us an abundance of sunshine and rain to help us along the way. Within the next week the children will be making some spring time arts and crafts to liven up our room whilst fun and engaging games are being run in our fantastic gym and performing art room.

We are loving the feedback from parents, families and children using our rock voting system and encourage everyone to continue providing your feedback for the remaining of the term. OSHClub is improving every day all thanks to you!

Kind regards, Ella Cawley, Rachel Travis and Jordan Kynigopoulos
