ACCOMPANYING THE BULLETIN TODAY:

Principal's Notes Justine Mackey

Our students in the community

Our students have already had many opportunities to develop their knowledge and understanding by participating in a wide range of incursions and excursions this term. Our Year 5 and 6 students are participating in workshops with the REACH Foundation, the Year 2s visited Werribee Zoo, the Foundation Students enjoyed their day at Bundoora Park Farm and the Year 3s immersed themselves at the Immigration Museum. Thank you to the teachers for planning these engaging experiences and to the parents who accompanied the students. The Year 1 and 2 swimming program commences next week and it will also be the Year 6 Small Business Week. I look forward to joining in the activities that our school leaders have prepared for our school community during lunchtime next week.

Curriculum Day October 31st

Please remember that there will be a curriculum day on Monday October 31st so that our staff can work with Charles Lovitt to help build our understanding of creating challenging learning tasks in mathematics. Students are not expected to be at school on this day. If you require OSHClub on this day, do contact them by Monday 24th October to secure a place for your child as the program will only run if sufficient numbers are received.

Fruit Angels

Recently the Community Engagement Committee reviewed the 'free fruit' program provided by the Fruit Angels. This review identified that it is often difficult to fill the roster of volunteers required to run the program and there is a significant cost to the school to provide the fruit each week.

Subsequently, the committee agreed that the free fruit provided by the Fruit Angels will cease to run as of the first week of November. This means that next Tuesday the 25th October will be the final 'free fruit day'. We believe that the resources for the program can be better utilised throughout the school and that there are other opportunities for our parents to contribute to the school.

On behalf of the IEPS community, I thank all of our Fruit Angels for their commitment to providing fresh fruit to our students and for their contribution to the life of the school.

2 minute parking

Please remember that the 2 minute parking at the front of the school should only be used for a quick drop off or pick up. It is important to consider others who need to use this area so please do not park longer than the 2 minutes. This will ensure the parking is accessed by those who need it and will minimise congestion around the school. We also ask you to supervise your children when they are crossing the road and exiting cars and please remember that double parking is dangerous and illegal. We thank you for your support in ensuring that the roads around our school are safe.

Community Engagement Committee
Tracey Ezard evening session- Preparing Our Students for the Future
Wednesday 16th November 7-8.30pm

The Community Engagement Committee would like to invite all parents and carers to attend an evening session with Tracey Ezard. Tracey is a highly regarded presenter who works with the Education Department, individual schools, school networks and community and corporate organisations. She has expertise in helping schools build thriving professional learning environments and will be working with the IEPS staff team in 2017.

Tracey is a highly engaging presenter and she will run a workshop to explore the learning needs of our children as we prepare them for the future. This will allow us to identify the role of school and parents and how we can work together to achieve our vision.

This event will be held at IEPS on Wednesday the 16th November from 7-8.30pm and bookings can be made via Try Booking.

IEPS - SCHOOL WORKING BEE

On **Sunday 23rd October** the Facilities Committee is holding a Working Bee. If you have not attended a Working Bee yet please consider volunteering to make the playground safe and attractive for your children. All parents are asked to attend to help re-fence the new gardens, top up the junior sandpit, re-mulch the landscaped walkways, re-paint the exterior wooden seats and decking, and weed and mulch the gardens.

When - **Sunday 23rd October** - The working bee will begin at 9.00 and finish at 12.00.

Morning Tea will be provided.

Please come to the friendship tree where you can sign in and a friendly Facilities member will help you to find a job to do. Bringing your own pruning secateurs and gardening gloves would be a good idea. Protective clothing and footwear is advisable. We hope to see you there!

ATHLETICS

Well done to all students who competed in the Athletics competitions this year from the Ivanhoe East Athletics day in Term 1 through to the Regional event on Wednesday the 11/10. At all sporting events the most important thing is all students participate with a positive attitude and give their best and this was generally reflected at all levels of athletics over the course of the year. IEPS was very successful again this year at the District, Division and Regional levels with a large number of students representing IEPS at each of those events. Congratulations to all students who represented the school this year. Furthermore, a special mention must be made to Juliet Kelly, Cindy Lawson and Zoe Shaw who will be competing in the state competition on the 24/10. Finally thank you to all the parents and staff for their help in ensuring all of these events ran smoothly.

PTFA NEWS

Bec and I spent yesterday morning cleaning out the Harry Potter and PTFA cupboards getting ready for another end of year and New Year of wonderful PTFA events. Thanks to the year six boys who helped us carry heaps of old decorations and rubbish to the skip enabling us to be ready for a fresh new start next year.

Don't forget if you want to get into the action and fun of PTFA, our AGM is coming up next month. Come and check out what we do as we would love to see some old and new faces on the team next year.

This coming Sunday is the School Working Bee. If you haven't had a chance to help out this year you might find an hour or two to come down and help the Facilities Committee, other parents and kids clean up our magnificent school grounds. The kids can play or help, there's lots to do and many hands make light work. PLUS you will get to enjoy a beautiful morning tea for your efforts.

International Teachers Day is on the 28th October; don't forget to tell your teacher how much you appreciate them. The Preps and grade six parents will supply morning tea showing them again how much they are appreciated.

Have an awesome week!

OSHClub News

Before School / After School Care Program

Program Update

Dear Parents and Families,

Ocean week at OSHClub has been a splashing good time. The children have enjoyed creating magnificent sand sculptures, collages and paintings to display on our gallery wall. Whilst other students have participated in active group games such as finding nemo and fish-fish shark. The children have challenged each other to a sand castle competition and even made an exploding sand castle volcano. As a delicious treat, our OSHClub chefs baked and designed a beautiful array of decorated fish cupcakes, including Nemo, Dory and Bruce.

Next week OSHClub is turning wicked, with a spooky space theme for Halloween. We will be delving into space and exploring through each planet. There will be many arts and craft activities on offer from Paper Mache to Erupting planets. We are having Halloween hunts and building out own haunted houses among many other fun and engaging activities.

We are loving the feedback from parents, families and children using our rock voting system and encourage everyone to continue providing your feedback for the remaining of the term. OSHClub is improving every day all thanks to you!

Kind regards, Ella Cawley, Rachel Travis and Jordan Kynigopoulos
