Prep Transition

It was a joy to welcome our 2017 Preps last week as they started their transition program. This is always an exciting time for families as they begin their child's school journey and it is a special time for the school community as we meet new children, parents and grandparents. For some parents and carers this is their first experience of school since they were a child and for others they may be well familiar with life at IEPS. The transition program intends to provide a variety of school experiences for our 2017 preps and I thank our 2016

Prep teachers and our specialist teachers for preparing them well for their start to school. Thanks also to our current Prep parents who will be providing a special welcome to our new parents at the children's final transition session on the 23rd November so that they can share their wisdom as a Prep parent.

Year 6 Small Business

Congratulations to the Year 6 students for their organisation and effort to prepare for this week's Small Business Week. They demonstrated great team work and created small businesses that were enjoyed by all students throughout the school. Thank you to the Year 6 teachers for providing this authentic learning experience and to all of the teachers and students throughout the school who supported these great businesses.

Art Show

Thank you to Melissa Pang, Gayle Raftery and Kim Liss for their preparation for Thursday night's Art Show. This is a showcase of our students' work and provides the background for a great social catch up for parents. Melissa has worked with our dedicated art teachers to ensure that this will be a special event and I encourage you to come along to view your child's favourite piece of art and enjoy the company.

Tracey Ezard

Please remember to book for a place at the Tracey Ezard parent session on the 16th November. Please see inside the Bulletin for further details or you can click the link here to book;

Illness

As mentioned previously, we ask that you please keep your children at home if they are unwell. If your child is feeling unwell before school or the night before, please keep them at home. This prevents the distress that often accompanies being sick at school as well as limiting the spread of germs to others. If your child has vomited, wait at least **48 hours** after

their last episode before sending them back to school.

We have been reinforcing the washing of hands frequently and trust that you are doing the same at home. If we are all vigilant, we can limit impact of illness on everyone in our school community.

Community Engagement Committee Tracey Ezard evening session- Preparing Our Students for the Future Wednesday 16th November 7-8.30pm

The Community Engagement Committee would like to invite all parents and carers to attend an evening session with Tracey Ezard.

Tracey is a highly regarded presenter who works with the Education Department, individual schools, school networks and community and corporate organisations. She has expertise in helping schools build thriving professional learning environments and will be working with the IEPS staff team in 2017.

Tracey is a highly engaging facilitator and she will lead a dynamic session where we will explore what is going to be important for your children in the future. Participation in the workshop will allow you to have a say into what you would like IEPS to look like over the next 5 years. This will allow us to identify the role of school and parents and how we can work together to achieve our vision.

This event will be held at IEPS on Wednesday the 16th November from 7-8.30pm and bookings can be made via Try Booking. www.trybooking.com/NJMH or

www.trybooking.com/234891

IEPS ART SHOW

The Art Show is fast approaching, it is this coming Thursday!!! Have you bought your ticket for the night? It's \$10/ticket, which includes a complimentary glass of wine or drink and light refreshments from a grazing table. It's a great excuse to socialise with other parents whilst looking at your child's favourite artwork. There will be more than 600 art pieces to exhibit, if you have an hour to spare on Thursday to help set up please contact Melissa Pang on soon-rough or 0402 146 142

Thursday 27th October 7:30pm, Performing Arts Room

You can purchase your tickets via try booking;

www.trybooking.com/NJFJ www.trybooking.com/234711

We have confirmed local artist Carol James to open our art show and who will also bring a few pieces of her art for us to view.

"I have always been interested in art and have painted since I was a child. I studied design and worked in advertising as an art director and writer, also lecturing at RMIT and Caulfield art schools. When I retired I took up painting and drawing joining the Heidelberg Artists Society. I have been the president since 2014. I am also the art show co-ordinator" *Carol James*

There will be a short amount of time on Friday in the performing arts room after school to view the art exhibition with your children before it is packed up.

CLAYTON'S WORKING BEE

The weekend was wet and windy so I cancelled the Working Bee. However, as I had already taken delivery of sand for the sandpit and mulch for the pathways, I put out a call for a small crew to get these materials distributed. Thanks very much to the following people for giving their time and energy: *Matilda, Tom, Fred and Catherine Ahlberg, Cameron Barr, Sarah and Andrew Hendley, Shavaj Kallamkote, Tim Redin and Brad Richards*.

A new date will be set for the Working Bee so you will still have a chance to attend this prestigious and honourable event. Toby Rose.

SECOND HAND UNIFORMS

We need a couple of volunteers to keep the second hand uniform cupboard in order.

Please let Karen in the office know if you are interested in this exciting role. I'll contact you to handover. Also, if anyone has some spare wire coat hangers at home, we need more. Just leave them in the corridor with the uniforms. NB. This is distinct from the Lost Property cupboard; it currently has volunteers managing it. Looking forward to

hearing from you.

FIRST AID ROOM WASHING

For week commencing 31st October, our volunteer is Sarah Hendley. Many thanks for volunteering this task.

TURN ORANGE FOR ORANG-UTANS WITH THE GREEN TEAM

Imagine what it would be like if orang-utans started chopping down your house and you tried to tell them to stop, but they didn't understand you. So, you moved house and then they started chopping that down too and eventually there were no houses left and you and your family had nowhere to go. That's how it could end up for orang-utans. Why? Because lots of companies are cutting down their habitats to get Palm Oil.

After hearing about orang-utans losing their habitat, what would you do for them? Surely the least you can do is participate in "Turn Orange for Orang-utans Day", which is on the 8th of November, the Tuesday after Melbourne Cup week. It's not to raise money, it is to raise awareness and collect signatures from parents and teachers to support the "Don't Palm Us Off" campaign.

For more information, facts and presentations on this issue stay tuned by watching assemblies and reading the bulletin and the Green Team notice board every week.

OSHClub News

Before School / After School Care Program

Program Update

Dear Parents and Families,

The children at OSHClub are thoroughly enjoying the sunshine that has finally appeared this week. Though the sunshine has brought much happiness, I regret to say we have some sad news this week. Our bright star Rachel Travis will be leaving OSHClub to start an exciting new chapter of her life. Over the past two years Rachel has been an invaluable member of the OSHClub team and will be very sorely missed. The children and staff will forever miss her singing at breakfast, dancing during pack up time and boisterous sense of humour. Rachel's last day with OSHClub is going to be on Friday 4th November. We will be having a farewell party during the ASC session so please feel free to come in to say farewell and wish her well.

Next week as you all know is going to be a very short week indeed. We will be following on from the Spring Races Carnival and enjoying many dress ups, relay races and racing crafts.

We would also love to start a recycled arts and craft box. If you have anything laying around at home whether it is unused paper, toilet rolls, wool, material scraps, cartons, milk lids or jars we would love if you could bring it in to OSHClub. We will have a box available next to the front door.

Kind regards, Ella Cawley, Rachel Travis and Jordan Kynigopoulos
