### ACCOMPANYING THE BULLETIN TODAY:

#### Principal's Notes Justine Mackey

#### Year 4 camp

It was great to see our Year 4 campers return to school on Friday afternoon after having a fantastic time at Sovereign Hill for their first school camp experience. The photos that were taken during the camp show the students making the most of all of the exciting experiences on offer. I know that they really loved dressing up in costume to attend the Sovereign Hill School and they were all successful when panning for gold. Thank you to our teachers Meghan Anders, Susan Coward, Sophie Herbert, Amanda Dwyer and

Justin Bartlett for taking time away from their own families to ensure that our students had a great time at camp and a special thank you to Meghan for leading the camp and for her organisation which meant that every detail had been considered.

A special thank you to our parents who came to support the students throughout the camp; we are very grateful to you for taking time away from your families so that the students could have such a rich experience. Thank you to Toni Andreevski, Chris Bolden, Tamara Eliezer, James Horne, Melissa Pang and Mark Varasdi.

#### Communication with teachers

Our teachers are available to speak to parents before or after school by appointment. Teachers use this time for preparation and whole school and team meetings so at least 24 hours notice is required. You can contact teachers via email or by speaking to the office in order to find a mutually convenient time to discuss your child's needs.

#### Parking

We had a visit from Banyule council last week who contacted me to let me know that they were "appalled by the driving behaviour" of many of our parents at drop off time.

This included:

- Double parking and having students exit the car onto the road
- Parking on the yellow lines
- Parking on the nature strip
- Parking for longer than the 2 minutes allowed in the 2 minute parking zone.

Council has advised me that they will be making regular visits to monitor parking outside our school and that they will be booking anyone who isn't following the road rules. Please follow these rules so that our children can be kept safe.

#### Parent Information Session

We are looking forward to tonight's information session with Tracey Ezard who will be leading a future focused discussion upstairs in the Senior Building. You can still book tickets via try booking;

#### Congratulations

Congratulations to Larissa Smith and Andrew Lamers who will be married this weekend. The IEPS Community wishes you the very best for the day and for your life together.

## Before School / After School Care Program

### Program Update

Dear Parents and Families,

Due to much request, this week our OSHClub students have evolved into Archaeologists, our paper recycling week has been put on hold to make way for some serious discovering. The children have explored glistening gems as well as learn how to make their own prized crystals. Others have learnt about Dinosaurs, fossils and volcano's from millions of years ago. Our Archaeologists are soon to discover that there is more than sand and tanbark hidden within the depths of the sandpit.

**Fun Fact:** The word fossil comes from the Latin word 'fossilis', which means, 'dug up'.

Therefore next week will be our Paper Recycle Week, all of our activities are going to use recycled materials. Children will learn how to reuse and recycle in an everyday environment. Our exciting selection of activities include Robot making, collages, making wrapping paper, recycled paper. We will also be having a Master Chef competition where the children will have a selection of ingredients to create their best and healthiest dish.

Please continue providing your feedback about our program. We love to hear the good the bad and the ugly as it helps us make our OSHClub better for your children, our great staff and families.

Kind regards, Ella Cawley, Karen Riley and Jordan Kynigopoulos
