Friday 31 March	Last day of Term 1 – <b>2:30pm dismissal</b>

## Principal's Notes Justine Mackey

### LEARNING AT IEPS

Our teaching teams have placed a significant focus on building their learning communities in these first couple of weeks of school. This provides students with a sense of belonging so they can feel safe and secure at school which is a strong foundation for learning. This week is planning week which means that students attend all of their specialist classes on one day so that the teaching teams can work together to plan purposeful and engaging learning programs for the students. Teachers are also using the knowledge that they have gained about the students to help them plan learning tasks based on their needs. At IEPS we use the Victorian Curriculum ([VCAA](#)) and deliver this through a student centred framework where we identify the skills that students require and their interests and needs to plan a targeted learning program. We look forward to sharing our student's learning with you throughout the year.

As professional educators, our teachers are members of their collaborative teaching teams as well as a Professional Learning Team (PLT) based on the key directions of the school. This year we have the following PLTs which are led by members of the IEPS Leadership Team. They are:

- Literacy (Ms Amanda Dwyer)
- Numeracy (Ms Adrienne Dudley)
- STEM – Science, Technology, Engineering, Maths (Mr Ben Phillips)
- Wellbeing- (Ms Justine Mackey)

These teams will work together to lead and implement evidence based learning throughout the school so that we can continue to build on our achievements here at IEPS.

### REMINDER ABOUT NOMINATIONS FOR SC

Thank you to those parents who have put forward their nomination for a position on School Council. Please click on this link [School Councils DET](#) to access information from the Department of Education and Training (DET) to give you a greater understanding of the role of School Council.

Justine Mackey.

### SUMMER WATERING

### Enrolments are still open for East Ivanhoe Preschool for our three year old kindergarten program in 2017

Places are filling fast with limited positions still available in our three year old kindergarten group (Monday AM and Wednesday PM).

Our qualified and experienced educators are committed to providing your child with a nurturing educational environment that encourages creative thinking, questioning and empathy.

Our kindergarten is a truly magical place for children to learn and develop. Our beautiful light filled playroom and double storey playground boasts a wide range of mature trees, vegetable patches and wildlife to create a wonderful setting for children to learn and explore.

We also have our unique art program that runs a week classes with our own qualified artist in residence.

If you wish to find out more about what East Ivanhoe Preschool has to offer please call Kate Purdie (director) on 9499 6493 or our enrolment officer on Daina Manzey 0409 256 727

## Basketball is looking for you Registration for Ivanhoe Knights 2017 Winter Season is now Open.

Basketball is a great introduction to team sports for kids from 7 years old up. So if you like having fun, making new friends and being active in a safe and friendly environment, then give basketball a go. If you would like to join the Ivanhoe Knights Basketball Club and play next season you just need to register now.

Winter Season aligns with terms 2 and 4 of the school year. Training is during the week and games are held on Saturdays mornings and afternoon.

Age Groups are , Under 9, U11, U13, U15, U17 and U19 boys & girls teams

If you are new to the club, you need to attend our Registration Day in person.

**When:** Saturday, 18, Feb 2017

**Time:** 10 am to 2 pm

**Where:** Ivanhoe East Primary School, Warncliffe Rd, Ivanhoe East.

If you are already playing with the Ivanhoe Knights you can register online via [www.ivanhoeknights.org](http://www.ivanhoeknights.org)

If you're too young or just want to get started before the Winter season then join in at our Junior Hoop Stars Session on Friday, 4:30pm @ IEPS Space Center, after school.
